OCTOBER
 2009

Pastor
 Appreciation
 Month

Remember that October is Pastor Appreciation Month. Take this time to do something special for Bro. Danny and Sis. Carolyn. A card, a note, a visit, a call, a text/email/or TWIT. We look to them for spiritual guidance, strength, and assurance. Leadership, love and friendship as well. But remember, they look to us for love, support, and reassurance.

Take some time out this month...and throughout the year to recognize them for their service to God, our congregation and community.

We thank God for Bro. Danny and Sis. Carolyn. Show them.

SAINTS ALIVE

Lindsay Lane Baptist Church Saints Alive luncheon and fellowship was held September 15th. There were 12 of us that went in the church van.

Bro. Lance Hellwig drove the van. Bro. Danny went with us. Sis. Carolyn Kirk, and Sis. Janet Jenkins didn't get to go with us. They are faithful workers for the Saints Alive luncheon. After picking apples a few lunch was given to the one to guess the nearest weight of the apples that we picked. Eleanor Straub got the free lunch. We all went to lunch at a restaurant. The food was very good, no complaints. Some pictures were taken. This is always a fun time together. I missed the wagon ride to the orchard. These days I don't walk very well on uneven ground, and this year they had a new wagon to ride to the orchard. Will take care of birthdays and anniversaries at the October luncheon meeting on the 13th. Come join us for the good food and the great fellowship.

Fall Festival Nov 1, 3pm

The air is crisp, the leaves are falling, and that can only mean one thing...it's time to have a PARTY.

So put down your rake, and join us on Sunday, Nov 1st at 3pm for our annual Fall Harvest Block Party. This can only be fun—if—you bring your friends, invite your neighbors, and round up your entire family and show up.

There will be two giant inflated attractions for the children, games, contests, food, bonfire, hayride and to close out the event, after the sun has set...we line up the cars, pop the hatches, open the trunks and divvy out the candy to the kids. Each car is encouraged to decorate their trunk for a QT gas card prize, and the kids get to vote.

Every Wed morning, 6 a.m. All men are welcome, **set your alarm.** Strengthen your Prayer-Life, Spiritual-Walk, and get a hearty breakfast. Our study guide is 'No More Excuses' written by Tony Evans.

Hygiene Kits

Bro. Mark Scott is coordinating a food project and hygiene kit drive to supply children in Haiti with food and personal hygiene kits for safety.

There is a barrel in the lobby to collect needed items.

All AWANA clubbers that bring hygiene items on the list, will receive a surprise. Ask Bro. Mark how you can get involved in this ministry.

Items needed for each kit:

- 13 oz. shampoo [tape the lid]
- 8 oz tube of toothpaste
- 2 toothbrushes
- 2 large bars/anti-bacterial soap
- 4 band aids
- 2 wash cloths
- 1 bath towel
- 1 comb
- \$5 for shipping/packing & food

You may purchase larger containers of shampoo, or buy in bulk, and volunteers will sub-divide into the proper portions, and package the hygiene kits for delivery to the mission field.

Let's fill that barrel many times over... and make a big difference in children's lives, and show God's Love.

Another Parent Night is behind us...but what an impression Pastor Udell Moss left on the children. He has taken a wooden spool and string and changed lives of kids for over 60 years with his skill yielding the yo-yo and telling everyone about his savior, Jesus Christ.

Pastor Moss entertained us with yo-yo tricks and stories from his life, and I believe he could come back every week and never repeat himself. Each clubber in attendance received their very own Duncan yo-yo to begin their own journey.

Afterwards we dismissed to the back lot and constructed a 20 ft AWANA/BANANA split, in under 3 minutes...and ate it in just about the same time frame.

We are collecting hygiene items for the children on the mission fields in Haiti. See the Global Compassion article for what items are needed.

Also, reminder that we will have our AWANA Grand Prix workshop to build our pinewood cars on Sun. Nov 15th for our GRAND PRIX race on Dec 6th. Clubbers...keep up on your handbook.

Pastor Udell Moss the 1937 Yo-Yo champion, and still amazing kids with his skill and accuracy yielding the Yo-Yo and encouraging kids to follow Christ.

Wheels of Hope

Last month we were once again blessed with the opportunity to be a blessing to two families in our area by meeting their transportation needs through the Wheels of Hope Ministry.

Deidre Pryor, her family of five children and her fiancé received a 1997 Dodge Caravan Sport. I remember in the final stages of placing this van we needed a copy of her driver's license and she had to physically bring it into the shop at Hart Auto Body because she did not have access to a fax machine. She had to load up all 5 children, carry them to the bus stop, catch the bus to Florissant, then walk the rest of the way to Hart with all five children in tow. Now thanks to the Lord, the Wheels of Hope and Lindsay Lane Baptist Church she can now get to work and all the other places she needs to go much easier and efficiently. The most important moment of this placement was when Deidre prayed to ask the Lord into her heart and to save her. Pray that we may be instrumental in her walk with the Lord as she considers worshipping Church here with us at Lindsay Lane Baptist Church

shares the Word of God with them every Sunday. We shared the Gospel with Jo-

seph as Bro. Paul interpreted the Gospel message back to him in sign language. This was not only unusual and different for me but in special way was quite beautiful and God's word was being shared in the only language Joe could understand as Paul relayed God's Word and Gospel message back to Joseph. During the Gospel presentation Joe admitted he needs to accept Christ but just doesn't feel ready to make that most important commitment to the Lord. Please pray for Joseph as he struggles with this decision that he would soon accept Christ as his Savior soon. Pray that the Lord would continue to impress upon him to accept Him as his Savior soon.

This month I learned two invaluable lessons in placing cars with WofH Families. The first was the value of people here at Church praying for all those involved in the placement as the Gospel is being shared. Bro. Rex Gibson and my Mom, Loleta Shell, were present at both of the above mentioned placements and the presence of the Lord was truly felt as God's Word was being shared with the recipients. Secondly I learned that we should never take for granted where someone may stand with Christ and always share the Gospel or review the Gospel with everyone we share the WofH ministry. Thanks for your prayers and support.

The second car we placed last month was

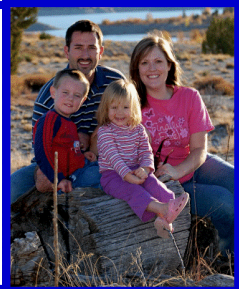

the Chevrolet Corsica the Bro. & Sis. Al Cornett donated to the Ministry. The vehicle went to Joseph Falgier a hearing impaired man. Joe attends the Deaf Church in the lower level of the Park Road Baptist Church where Bro. Paul Strosnider

Ken Shell and The Wheels of Hope.

As far as our bible study goes, September was a good month. We averaged 20 in attendance each night and had a high of 23. We have been sharing prayer request each week and everyone seems to be opening up more and more. We are becoming closer to one another through this, and my prayer is that God blesses our fellowship as we share our burdens with each other. This month we have studied topics such as wisdom, and end time events. It has opened the door to discipleship as we study the Bible.

Thanks for your continued prayers, support, and encouragement. May God bless the ministries of LLBC. Please pray for the following needs:

- > That souls would be saved
- > That we can start another bible study
- > For us as we minister at the October Fest in Smithville, Oct 9th, 10th. We will have a booth where we will do surveys and giveaways near the children's area)
- > That God would give us wisdom as we prepare to start having monthly services beginning November 8th.
